WHO: Attention all service providers for underserved populations, specifically Veterans and American Indians

Come to learn, network, and discover the most current policies, trends, and practices in our industry. NAVA is hosting a wellness summit on Thursday, March 29, 2018.

Featured panelists from Veterans Affairs, UCLA and EDD among others along with a panel of vets who will share their own wellness journeys back home.

Discussions will feature strategies to overcome challenges facing service members and veterans that impact their health and well-being. Attendees will also learn about innovations in assessment & treatment for issues impacting both physical and mental health of veterans and their families.
