Arturo Toscanini and Bronislaw Huberman on stage after the first Palestine Symphony concert in November, 1936, as seen in ORCHESTRA OF EXILES, a film by Josh Aronson. A First Run Features release. Courtesy of the Felicia Blumental Music Center Library/Huberman Archive.

This is the suspenseful chronicle of how one man helped save Europe’s premier Jewish musicians from obliteration by the Nazis during World War II.

In three years, Bronislaw Huberman transformed from a world renowned violinist to a humanitarian racing against time.

With commentary by Itzhak Perlman, Zubin Mehta, Pinchas, Zukerman, Joshua Bell, and others.
