

MINDFUL WARRIOR PROJECT

Mindful Warrior Project is making sure that all veterans are able to take full advantage of this inaugural Expo by creating a fun and enriching activity area for children.

The whole family is encouraged to attend, with the kids having a blast in their own area.

No bored & fussing children making it hard for you to check out the vast array of resources.

What a great way to enjoy a full day of free fun and ways to move forward with strength for the whole family.
