"Princess of the Row" is the story of one foster youth who will stop at nothing to live with the only family she knows: her father, a homeless veteran who suffers from a traumatic brain injury and lives on Skid Row.

"Bedlam" is a feature-length documentary about the national crisis surrounding care of the seriously mentally ill told through intimate stories of patients, families, and medical providers. Following the film, Patrick J. Kennedy and film director Ken Rosenberg will discuss this candid look at mental health care in Los Angeles.
