The highlight of the evening will be featuring several California women who served or are currently serving in the military and who contributed significantly to the women veteran community. We honor them with our CalVet Trailblazer Award as they continue to serve their communities locally, statewide, and globally.

This year we added a special element by including the hardworking advocates who tirelessly support our women veteran community. At the reception, we will award eight special advocates with CalVet's deepest gratitude and a Certificate of Appreciation.
