

# MINDFUL VETERAN P R O J E C T

in preparation for attending the May 28th performance of “Otello”

at Los Angeles’ Dorothy Chandler Pavilion

**we invite Veterans**

(along with Active Duty, Guard, Reserve members,  
and their immediate family members)

to a series of workshops  
in  
**March, April, & early May**  
some on Zoom & some in person

to discuss themes in the opera  
and then  
express how we connect to those themes  
via prose, poetry, and art

this deep dive into the opera not only facilitates  
a more rich experience of the performance itself,  
but also provides a more rich panel discussion,  
an exhibit of art we created,  
and the lyrics for arias created from our poetry,  
most of which are presented at our post-opera-event  
open to all attending the opera on the 28th

if you are interested in participating in these workshops
